General Summary of Duty 6

% of Time _____

Individual tasks related to the duty.

-

16. Describe the types of decisions made independently in this position and tell who or what is affected by those decisions.

This position makes decisions regarding methodologies used to analyze data and decisions related to day-to-day work priorities. This position also makes decisions regarding who to contact in other Treasury divisions and agencies and how to resolve complex revenue accounting issues.

Impact of decision-making in this position involves statewide accounting functions. Completeness, accuracy, and correctness of information are critical to the proper handling of accounting issues.

17. Describe the types of decisions that require the supervisor's review.

Decisions that may have a material accounting, policy, or budget impact

Decisions changing the Section's current processes

Resolutions of accounting issues that are unusual in nature

18. What kind of physical effort is used to perform this job? What environmental conditions is this position physically exposed to on the job? Indicate the amount of time and intensity of each activity and condition. Refer to instructions.

Meeting urgent deadlines and resolution of complex issues or problems may result in stressful situations. Work performed in a typical office environment. No unusual physical effort or environmental conditions. Occasional travel to meetings.

19. List the names and position code descriptions of each classified employee whom this position immediately supervises or oversees on a full-time, on-going basis. (If more than 10, list only classification titles and the number of employees in each classification.)

<u>NAME</u>	<u>CLASS TITLE</u>	<u>NAME</u>	<u>CLASS TITLE</u>

20. This position's responsibilities for the above-listed employees includes the following (check as many as apply):

Complete and sign service ratings.

Assign work.

Provide formal written counseling.

Approve work.

Approve leave requests.

Review work.

Approve time and attendance.

Provide guidance on work methods.

Orally reprimand.

Train employees in the work.

22. Do you agree with the responses for Items 1 through 20? If not, which items do you disagree with and why?

Yes

23. What are the essential functions of this position?

This position provides Revenue Accounting Section support for the Statewide Integrated Governmental Management Applications System (SIGMA). This position develops guidelines for the Section for the processing and reconciliation of transactions entered in the State's accounting system and assists the Office's Senior Accountant in ensuring the accurate posting of over \$45 billion annually. This position develops guidelines for the maintenance and reconciliation of remittances for taxes administered through SAP and resolves complex SAP issues. This position writes and revises procedures to document changes in processes. This position researches, reconciles, and formulates solutions to complex Revenue Accounting Section issues.

This position includes all requirements listed in Sections 15 and 18 of this position description. All of the duties in this position description must be performed and cannot be eliminated.

24. Indicate specifically how the position's duties and responsibilities have changed since the position was last reviewed.

Position description has been updated to reflect the terminology of the recently implemented statewide accounting system (SIGMA).

25. What is the function of the work area and how does this position fit into that function?

The Office of Financial Services is responsible for receipting and recording of revenue received by the Department of Treasury in excess of \$45 billion annually. The Office is responsible for statewide bank activity and credit card contracts for the State of Michigan and functions in a central agency capacity to set policies and procedures for all other State agencies to use in the depositing, receipting and recording of receipts and revenues. The Office is also responsible to set policies and procedures for disbursements in excess of \$45 billion annually.

This position provides Revenue Accounting Section support for the Statewide Integrated Governmental Management Applications System (SIGMA). This position develops guidelines for the Section for the processing and reconciliation of transactions entered in the State's accounting system and assists the Office's Senior Accountant in ensuring the accurate posting of over \$45 billion annually. This position develops guidelines for the maintenance and reconciliation of remittances for taxes administered through SAP and other systems.

26. What are the minimum education and experience qualifications needed to perform the essential functions of this position?

EDUCATION:

Possession of a bachelor's degree with at least 24 semester (36 term) credits in accounting.

EXPERIENCE:

Accountant 9: No specific type or amount is required

Accountant 10: One year of professional experience performing or auditing the systematic classification and evaluation of accounting data and the preparation of related financial and managerial reports equivalent to an Accountant 9 or Auditor 9

Accountant 11: Two years of professional experience performing or auditing the systematic classification and evaluation of accounting data and the preparation of related financial and managerial reports, including one year equivalent to an Accountant 10, Auditor 10, or Assistant Auditor General 10

KNOWLEDGE, SKILLS, AND ABILITIES:

Knowledge of governmental accounting, U.S. generally accepted accounting principles, SIGMA, Business Intelligence, and Microsoft Office

Knowledge of SAP and third-party financial institutions online information services

Ability to analyze, synthesize, and evaluate a variety of data for use in research and analysis

Ability to collect and organize accounting data, interpret its significance, and prepare accurate financial reports

Ability to present accounting data in a clear and understandable manner to both technical and non-technical users

Ability to solve difficult and complex accounting and related financial problems

Ability to analyze and recommend improvements in accounting systems

Ability to maintain records and prepare reports and correspondence related to work

Ability to communicate effectively with others

Ability to maintain favorable public relations
