14. General Summary of Function/Purpose of Position

The Renew By Mail (RBM) position is based in the Secretary of State Building within the State Secondary Complex completing Secretary of State transactions using internal, no-contact service delivery methods. Staff primary function is to process driver license, vehicle registration, and watercraft/snowmobile renewals via the high-volume remittance processor equipment as well as completes transactions using the CARS system for those renewals that cannot be processed with the remittance processor equipment. Other responsibilities include assisting the Internal Services Branch (IBS) unit when needed.

15. Please describe the assigned duties, percent of time spent performing each duty, and what is done to complete each duty.

List the duties from most important to least important. The total percentage of all duties performed must equal 100 percent.

Duty 1

General Summary: **Percentage: 70**

Process renewal transactions received via mail using remittance processor equipment and CARS system.

Individual tasks related to the duty:

- Operate remittance processor and related PC workstations to scan and verify successful image capture of high volumes of driver and vehicle renewal forms and payments.
- Operate PC based workstations connected to remittance processor to correct data elements, balance transactions totals, submit the daily remittance activity file, and other related remittance processor transaction tasks.
- Receive mail from post office and move it into processing trays.
- Open mail using OPEX mail extraction desk. Some mail may be opened by hand.
- Review incoming documents for accuracy and completeness. Set up incomplete transactions for return to customer, documenting the rejection reason.
- Verify that payment is included and matches the amount due. If not, set up for customer return.
- Sort incoming documents into appropriate batches for further processing.
- Identify and separate self-mailers requiring special handling. Verify that special handling processes were completed.
- Mark incoming documents with appropriate processing codes to indicate work type or special handling, as needed.
- Mark incoming documents with appropriate codes for any needed data corrections, such as the county code.
- Transport sorted documents to remittance processor for further processing.
- Empty waste from mail extraction desks (unneeded envelopes, machine-cut strips from envelopes, etc.)

Duty 2

General Summary: **Percentage: 15**

Assists customers/callers by providing information about services available at the Secretary of State.

Individual tasks related to the duty:

- Handle incoming phone calls and emails from customers.
- Handle incoming questions or inquiries from DSIC and other areas within MDOS to assist customers.
- Determine what services the applicant/caller needs.
- Identify and communicate the eligibility and documentation requirements for completion of the transaction. Answer questions and make appropriate referrals regarding these items, including branch appointments, if appropriate.
- Offer additional information that may be helpful and appropriate.
- Provide customer service that is expedient, friendly, courteous, knowledgeable, and helpful.
- Resolve customer problems by researching the transaction processed (or process failure) and determining the correct course of action to remedy any problems or errors.
- Involve lead workers or supervision in complex problem resolution.
- Complete return process for transactions that were rejected at mail opening. Prepare and include complete and professional communication to the customer explaining rejected transactions or paperwork.
- Determine and communicate expected transaction fees.

Duty 3

General Summary: **Percentage: 10**

Process and issue Secretary of State products such as driver licenses, personal identification cards, vehicle titles, registrations, snowmobile and watercraft registrations and decals, disability placards, and voter registrations.

Individual tasks related to the duty:

- Use various Secretary of State computer systems and programs to process transactions as needed and available to State of Michigan residents.
- Determine applicant's eligibility via approved computer systems/programs and supporting documents.
- Review required documentation for appropriateness and authenticity.
- Verify Department records using CARS and other approved programs/systems.
- Make proper referrals for ineligible applicants, including branch appointment information for applicant's ineligible for in-house services.
- Validate work for proper fees.
- Issue required plates, tabs and permits as part of registration transactions being processed.
- Process other miscellaneous transactions.

Duty 4

General Summary: **Percentage: 5**

Miscellaneous

Individual tasks related to the duty:

- Develop and maintain knowledge of Department policies, rules, and procedures.
- Develop and maintain general knowledge for proper referral of inquiries to other agencies.
- Complete beginning and end of day activities.
- Use and maintain the following equipment in daily operations: Validation stamps, phones, fax, PC, remittance processors and related computer equipment, calculator.
- Provide production counts as needed to supervision.
- Complete other job-related tasks as assigned by supervision or lead workers.
- DOS Aides at the experienced level may assist the lead workers (DOS Aide 9) in training of new Department of State Aides, if needed.

16. Describe the types of decisions made independently in this position and tell who or what is affected by those decisions.

Most phone calls and transactions are handled independently based on current guidelines and procedures. Unique situations may require personal judgement.

17. Describe the types of decisions that require the supervisor's review.

Decisions of a complex nature, when information cannot be found in the manuals, may conflict with established policies or procedures, are politically sensitive, or are outside of current department policy, preference, or guidelines and require a higher-level intervention.

18. What kind of physical effort is used to perform this job? What environmental conditions in this position physically exposed to on the job? Indicate the amount of time and intensity of each activity and condition. Refer to instructions.

This general office environment work is performed in the Secondary Complex, Secretary of State Building. Work involves transporting trays and/or boxes of plates or tabs that can weigh 25 pounds or more. There may be some noise from equipment operation. Prolonged sitting is required during mail opening, data entry, and when operating the remittance processor.

19. List the names and position code descriptions of each classified employee whom this position immediately supervises or oversees on a full-time, on-going basis.
