14. General Summary of Function/Purpose of Position

The position serves as a resource in the child welfare service spectrum, focusing on identifying resources to strengthen families while improving child safety, permanency, and family well-being. This position involves coordination and communication with child protective services and foster care staff in successfully administering child welfare and benefit assistance services to children and families to remove barriers that would otherwise prevent the family from staying together.

The position is responsible for engaging with families to assess their skills and strengths, and to identify individual barriers to employment and family well-being. The position determines eligibility for public assistance programs, including cash assistance, food assistance, Medicaid, childcare and state emergency relief and makes collaborative referrals to community resources. This position develops strategies to remove those barriers, provide supportive services, and conducts follow-up monitoring and support in self-sufficiency activities to empower individuals and families. The position also develops, implements, and monitors service plans designed to promote independence, self-sufficiency and family well-being. This work is primarily conducted through face-to-face interactions with child welfare staff and families by participating in unit meetings, family team meetings, and home visits.

To assist with barriers to employment, this position refers identified individuals to Michigan Rehabilitative Services (MRS) for pre-vocational and disability assessments and Michigan Works! agencies for employment and training programs. This position is responsible for monitoring participants activities to ensure that federal participation rates are met.

Responsibilities also include monitoring life events to ensure appropriate adjustments are made to cases and employment participation requirements as needed. These services are provided to Michigan families in need of temporary assistance.
