JOB SPECIFICATION

RECREATIONAL THERAPIST

JOB DESCRIPTION

Employees in this job complete or oversee a variety of professional recreational therapeutic assignments to meet the developmental needs of residents of state mental health, correctional, long-term care facilities, and educational facilities, as well as those in community based residential programs.

There are four classifications in this job.

Position Code Title - Recreational Therapist-E

Recreational Therapist 9

This is the entry level. As a trainee, the employee carries out a range of professional recreational therapist assignments while learning the methods of the work.

Recreational Therapist 10

This is the intermediate level. The employee performs an expanding range of professional recreational therapist assignments in a developing capacity.

Recreational Therapist P11

This is the experienced level. The employee performs a full range of professional recreational therapist assignments in a full-functioning capacity. Considerable independent judgement is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.
