

MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION
REGISTERED NURSE MANAGER

JOB DESCRIPTION

Employees in this job direct the delivery of professional nursing services through practical nurses, resident care aides, corrections medical aides, childcare workers, or lower level supervisors on a ward or unit. The employee works within general methods and procedures, and exercises considerable independent judgment to adapt and apply the guidelines to specific situations. The work requires knowledge of the policies, procedures, and regulations of nursing programs, supervisory techniques, personnel policies, and procedures.

There are five classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title - Registered Nurse Manager-R

Registered Nurse Manager (Recruit) 12

This is the manager recruit level and serves as a parallel classification to the Registered Nurse Manager 12 for those who possess a Michigan registered nurse license in good standing. The work is performed in an on-the-job training capacity until the employee is eligible for reclassification to the Registered Nurse Manager 12, as a first-line administrative supervisor of a limited work area.

Position Code Title - Registered Nurse Manager-1

Registered Nurse Manager 12

The employee functions as a first-line administrative supervisor of a limited work area (second-level clinical direction) comprised of resident care staff; Practical Nurses, Resident Care Aides, Corrections Medical Aides, and/or Child Care Workers on a ward/unit.

Position Code Title - Registered Nurse Manager-2

Registered Nurse Manager 13

The employee functions as a first-line administrative supervisor of a standard work area (second-level clinical direction) directing the nursing activities of subordinate, licensed, professional, Registered Nurses or as a second-line administrative supervisor (third-level clinical direction) of a limited work area directing the activities of resident care staff.

Position Code Title - Registered Nurse Manager-3

Registered Nurse Manager 14

The employee functions as a first-line administrative supervisor of a complex work area (second-level clinical direction) coordinating and directing nursing activities of subordinate, licensed, professional, second-level, program specialist, Registered Nurses; as a second-line administrative supervisor of nursing activities of subordinate licensed professional registered nurses; or, as a third-line administrative supervisor of a limited work area (fourth-level clinical direction) coordinating and directing resident care staff.

Position Code Title - Registered Nurse Manager-4

Registered Nurse Manager 15

The employee functions as a second-line administrative supervisor of a complex work area coordinating and directing the work of subordinate, licensed, professional, Registered Nurses.
