TO BE COMPLETED BY DIRECT SUPERVISOR

22. Do you agree with the responses from the employee for Items 1 through 20? If not, which items do you disagree with and why?

Yes.

23. What are the essential duties of this position?

Works in concert with other trainees and trades to perform a full range of maintenance mechanic assignments for projects on state properties as required for maintenance, construction, and remodeling.

Provides prompt and efficient customer service.

24. Indicate specifically how the position's duties and responsibilities have changed since the position was last reviewed.

Filling vacancy.

25. What is the function of the work area and how does this position fit into that function?

The function of the work unit is to provide a safe, comfortable, and cost-effective facility to allow our customers to provide their designated services to the people of the State of Michigan, and to provide maintenance and construction services on buildings to preserve the investment of the State of Michigan, DTMB. This position works in a learning capacity, training toward the experienced 9 level (journey level) classification, under the direction of a higher-level maintenance mechanic or supervisor.

26. In your opinion, what are the minimum education and experience qualifications needed to perform the essential functions of this position.

EDUCATION:

Educational level typically acquired through completion of high school.

EXPERIENCE:

Maintenance Mechanic 7:

No specific type or amount is required.

Maintenance Mechanic 8:

Two years of experience assisting skilled trades workers in the mechanical or electrical trades.

Maintenance Mechanic E9:

Four years of experience assisting skilled trades workers in the mechanical or electrical trades, including two years equivalent to a Maintenance Mechanic 8.

Alternate Education and Experience Maintenance Mechanic 8-10:

Completion of a recognized program in vocational training for the mechanical or electrical trades may be substituted for two years of experience assisting skilled trades workers.

KNOWLEDGE, SKILLS, AND ABILITIES:

Knowledge of:

- the accepted practices, processes, materials and tools of the maintenance trades.
- electric motors, generators, pumps, pressure systems, water systems and other equipment and systems found in state buildings and facilities.
- the servicing and maintenance of simple power, heating and cooling units.
- the occupational hazards and safety precautions of the building maintenance trades.
- the proper use of chemicals, fertilizers and pesticides.
- basic MIOSHA safety rules regarding tools, equipment, and methods used in this classification.

Ability to:

- do routine mechanical or electrical maintenance and care for tools and equipment.
- work from sketches, drawings and blueprints.
- maintain records regarding material, equipment and repairs.
- understand the operation of building mechanical, air handling and pneumatics systems.
- work with computers.
- Understand basic electrical codes.
- read and interpret blueprints.
- work with a wide variety of tools.
- work with others.

Must know operation and maintenance procedures

CERTIFICATES, LICENSES, REGISTRATIONS:

Although not a requirement of the position, any certifications, or licenses for HVAC equipment, electrical, plumbing, or other building related infrastructure systems is desirable.

Some positions in this job series may be assigned duties that require the application of pesticides, which may require certification or registration as a pesticide applicator in compliance with the Pesticide Control Act of 1976.

Some positions in this job series are assigned job duties that may require possession of the commercial driver's license issued by the Secretary of State as required by Public Act 346 of 1988 to operate a designated state vehicle.

Some positions in this job series may require training/certification for the safe use of certain tools and equipment.

NOTE: Equivalent combinations of education and experience that provide the required knowledge, skills and abilities will be evaluated on an individual basis.

NOTE: Civil Service approval of this position does not constitute agreement with or acceptance of the desirable qualifications for this position.

27. I certify that the information presented in this position description provides a complete and accurate depiction of the duties and responsibilities assigned to this position.
