

**MICHIGAN CIVIL SERVICE COMMISSION  
JOB SPECIFICATION**

**MEDICAL RECORD EXAMINER**

**JOB DESCRIPTION**

Employees in this job perform a variety of activities designed to maintain medical record systems in state facilities. Work is performed through the application of a body of knowledge related to the methods, practices, procedures, policies, regulations and laws governing medical record creation and use.

There are three classifications in this job.

**Position Code Title - Medical Records Examiner-E**

**Medical Record Examiner 8**

This is the entry level. The employee, in a learning capacity and under close supervision, performs a range of medical record examiner assignments.

**Medical Record Examiner 9**

This is the intermediate level. The employee works in a developing capacity with increased responsibility for performing an expanding range of medical record examiner assignments.

**Medical Record Examiner E10**

This is the experienced level. The employee performs a full range of medical record examiner assignments and uses considerable independent judgement in making decisions requiring the interpretation and application of guidelines with considerable latitude to specific situations.

**NOTE:** Employees generally progress through this series to the experienced level based on satisfactory performance and possession of the required experience.

**JOB DUTIES**

**NOTE:** The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.
