14. General Summary of Function/Purpose of Position This position is responsible for assisting in the coordination and management of the multi-modal transportation planning process of various Metropolitan Planning Organizations (MPOs) to assure compliance with applicable state and federal regulations. This position is also responsible for assisting in the development and coordination of MPO urban area Transportation Improvement Programs (TIPs), Metropolitan Transportation Plans (MTPs) and annual Unified Planning Work Programs (UPWP); and for assisting in various transportation planning activities within urban areas in the state.	

15. Please describe the assigned duties, percent of time spent performing each duty, and what is done to complete each duty.

List the duties from most important to least important. The total percentage of all duties performed must equal 100 percent.

Duty 1

General Summary:

Percentage: 40

Provide technical support to MPOs, to assure conformity to the federally mandated metropolitan transportation planning process to maintain certification of the MPOs.

Individual tasks related to the duty:

- Develop, review, and administer the MPO UPWPs and review of the MPO monthly billings and progress reports.
- Develop, review, and coordinate MPO MTPs and TIPs.
- Develop and review UPWP Project Authorizations (contract) and other non-construction contracts.
- Monitor certification of the MPO's metropolitan transportation process.
- Coordinate with the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA).
- Review and process MPO monthly billings and progress reports.
- Coordinate with MDOT regions throughout the development and maintenance of MPO UPWPs, Transportation Plans, and TIPs.

Duty 2

General Summary:

Percentage: 30

Serve as the department's representative on MPO technical committees. Attend meetings and provide technical assistance in the development of transportation system plans and programs in cooperation with local and regional officials, planners, and engineers.

Individual tasks related to the duty:

- Provide recommendations for state trunkline projects for inclusion in MPO MTPs and TIPs.
- Assist in development of MPO TIPs and coordination of TIPs with the State Transportation Improvement Program (STIP).
- Participate in discussions on air quality conformity for mobile emissions, as applicable.
- Provide support in maintaining Transportation Plans, UPWPs, and TIPs.
- Attend meetings of the MPO Technical Advisory Committees and sub-committees to provide direction and support as requested by the MPO and MDOT.

Duty 3

General Summary:

Percentage: 15

Assist in the development and coordination of tasks within various programs, as assigned.

Individual tasks related to the duty:

- Participate and support development and maintenance of data platform tools, including JobNet and SMART, as related to process improvements.
- Assist in the coordination and development of various programs, which may include, but are not limited to, work programs for the Regional Planning Agencies, Environmental Justice, Scenic Byways Program, Federal-aid Buyout Program, and Environmental Consultation.

Duty 4

General Summary:

Percentage: 15

Prepare papers, correspondence, and technical reports and assist in team projects assigned to the unit. Other tasks assigned by the Unit Supervisor, Statewide Planning Section Manager, Statewide Transportation Planning Division Administrator, and BTP/MDOT leadership.

Individual tasks related to the duty:

- Prepare issue papers related to MPO processes and policies.
- Prepare correspondence transmitting MPO projects and actions to federal agencies.
- Respond to requests for information regarding MPO programs and projects.
- Work as part of a team with other unit members to complete special assignments.

16. Describe the types of decisions made independently in this position and tell who or what is affected by those decisions.

Represent MDOT's position and explain MDOT policy to local, federal, and state officials. Make decisions based on experience and knowledge of MDOT operations and policies. Whenever possible, identify and record improvements in work

methods and materials used for the position.

17. Describe the types of decisions that require the supervisor's review.

Decisions which may affect department policy, when conflicting priorities arise, when instructions are unclear, or when situations arise that require management approval.

Decisions when preparing written materials regarding a project or program, where it is known that there is opposing political interests or sensitive issues.

18. What kind of physical effort is used to perform this job? What environmental conditions in this position physically exposed to on the job? Indicate the amount of time and intensity of each activity and condition. Refer to instructions.

Must be able to research and respond to reports, memos, letters, and other materials. Ability to travel independently for attendance at assigned monthly MPO committee meetings and any additional meetings/conferences both in state and out of state or as otherwise necessary. Must be able to represent MDOT and make presentations. Position may require availability outside normal working hours based on operational needs.

19. List the names and position code descriptions of each classified employee whom this position immediately supervises or oversees on a full-time, on-going basis.

Additional Subordinates
