14. General Summary of Function/Purpose of Position

This position is responsible for reviewing/analyzing investigative findings, drafting complex administrative documents, conducting compliance conferences, and recommending disciplinary sanctions involving licensed professionals pursuant to the Public Health Code and Occupational Code, Michigan Administrative Procedures Act, and all pertinent administrative rules.

15. Please describe the assigned duties, percent of time spent performing each duty, and what is done to complete each duty.

List the duties from most important to least important. The total percentage of all duties performed must equal 100 percent.

Duty 1

General Summary:

Percentage: 65

This position is completely responsible for reviewing/analyzing the most complex investigative findings, determining violations, drafting and processing complex administrative documents.

Individual tasks related to the duty:

- Reviews/analyzes investigation reports, medical records, contracts, inspection reports, conviction documents, disciplinary documents from other state licensing boards, expert opinions, statements, and depositions to determine if violations of the Public Health Code or Occupational Code have been established.
- Drafts all emergency orders and complaints summarily suspending a license in a complex case in compliance with the applicable statutory and rule requirements. Which are voluminous, and difficult factual scenarios involving negligence, incompetence, fraud, diversion of controlled substances, criminal convictions, and/or substance use disorders.
- Drafts appropriate complex administrative document charging the licensed professional with violations of the Public Health Code or Occupational Code, and makes a recommendation to a Board conferee regarding an appropriate sanction in resolution of the matter. Complex administrative documents include complaints regarding complex pharmacy, appraiser, accountancy, surveyor, engineer and architect matters.
- Recommends closure of files if it is determined that there is insufficient evidence to establish violations of the Public Health Code or Occupational Code.

Duty 2

General Summary:

Percentage: 25

This position is responsible for conducting compliance conferences with the licensed professional in an attempt to resolve the matter.

Individual tasks related to the duty:

- Conducts an informal compliance conference, meeting with the licensed professional and his/her attorney, in an attempt to resolve the alleged violations of the Public Health Code or Occupational Code as permitted by statute.
- Clarifies complex fact patterns, identifies applicable law, makes recommendations to the Board conferee regarding appropriate disciplinary actions and sanctions in resolution of a matter, negotiates and drafts the resolution agreement reflecting the negotiated settlement terms.

Duty 3

General Summary:

Percentage: 5

This position is responsible for preparing reports, responding to surveys, and acting as a liaison with other regulatory agencies.

Individual tasks related to the duty:

- Prepares reports, responds to surveys and questionnaires, and provides information in response to inquiries pertaining to the adjudication of violations of the Public Health Code or Occupational Code regarding licensed professionals.
- Acts as a liaison with other state and federal agencies to exchange and obtain information regarding the regulation and adjudication of allegations involving licensees.
- Develops and recommends alternatives for addressing and resolving these issues.

Duty 4

General Summary:

Percentage: 5

This position makes recommendations for revisions to applicable rules and laws governing licensed professionals, and compiles statistical information.

Individual tasks related to the duty:

- Researches, compiles and analyzes legal, economic and policy issues regarding the investigation and adjudication of violations of the Public Health Code or Occupational Code.
- Compiles and analyzes statistics used in evaluating the effectiveness of the Regulation Section and makes recommendations for process changes.
- Other duties as assigned.

16. Describe the types of decisions made independently in this position and tell who or what is affected by those decisions.

Independent judgment is used to determine if the evidence gathered during an investigation substantiates a violation of the Public Health Code, Occupational Code, and/or administrative rules. Independent judgment is also used in attempting to negotiate settlement terms with licensees regarding appropriate sanctions.

17. Describe the types of decisions that require the supervisor's review.

The Section Manager should be consulted for complex legal issues or other matters that could impact the Section, Division, Bureau, Department, or concerning matters that fall outside of established policies and procedures of the Department.

18. What kind of physical effort is used to perform this job? What environmental conditions in this position physically exposed to on the job? Indicate the amount of time and intensity of each activity and condition. Refer to instructions.

Normal office environment, sitting, standing, stooping, reaching, carrying and walking. Considerable time is spent working on the computer, resulting in eyestrain and possible ergonomic issues.

19. List the names and position code descriptions of each classified employee whom this position immediately supervises or oversees on a full-time, on-going basis.

Additional Subordinates

20. This position's responsibilities for the above-listed employees includes the following (check as many as apply):

- | | |
|---|--|
| <input type="checkbox"/> Complete and sign service ratings. | <input type="checkbox"/> Assign work. |
